### **PENNSYLVANIA TEST AUDIT PROGRAM** **BULLETIN #110**

#### **TEST AUDIT ONLINE**

#### **Processing Fee Effective July 1, 2012**

Effective July 1, 2012 a \$100 processing fee will be assessed for each response to a test audit policy selection and/or test audit difference that is not submitted via Test Audit Online. The purpose for this processing fee as approved by the PCRB Governing Board is to strongly encourage the use of both the electronic policy selection and difference response forms which currently reside on Test Audit Online. Use of these forms greatly enhances the administrative efficiency of the Pennsylvania Test Audit Program.

Please also note that this processing fee is separate and distinct from incentive charges that may be assessed for failure to respond to a policy selection(s) in a timely manner. For example, a policy selection response which is both late and not submitted via Test Audit Online will be subject to both the \$100 processing fee and the \$1,000 late charge.

Any questions concerning the application of this processing fee starting July 1, 2012 can be directed to:
